Round 1 - Sunday April 7th

Scratch Vs Alexandra at Euroa - Not a big day for Romsey; down 7/0

Handicap Vs Mt Macedon at Hidden Valley - played well but not quite not good enough - down 4/3

Round 2 - Sunday April 14th

Scratch V Mt Macedon at Alexandra - Another ordinary day for the scratch team going down 7/0

Handicap v Trentham at Trentham - A closer round than the 5/2 loss would show with two matches losing after going down the 19th

Round 3 - Sunday April 21st

Scratch a bye and hosting the round - A challenging round for the players, the Romsey boys did a great job in the rooms and out on the course keeping everyone well watered and fed.

Handicap V Lancefield at Woodend - Again closer than the score would seem with one match going down the 19th. Just cannot win one of those, down 5/2

Round 4 - Sunday April 28th

Scratch V Euroa at Broadford - We took on the top team and they showed us why they are top. Two highlights were Bob McLennan winning 2 up and Mick Nicholls taking his match to the 21st. Les Gaunt and John Peart also did well before losing 2 down. Down 6/1

Handicap V Woodend at Romsey - What a great effort by the team, three matches went down the 19th, of these only Rob Rea was able to pull out a win. Captain Tony Freeman and Andrew Laing did well to pull off strong wins. Down 4/3

Round 5 - Sunday May 5th

Scratch V Broadford at Mt Macedon - Tough conditions, very windy. Down 6/1

Handicap V Hidden Valley at Lancefield - Very windy also, dry fairways and very fast greens. Good wins to Dave Richardson 5/4 and Andrew Laing 1 up. Down 2/5
