The 2011 pennant season saw Romsey enter one "Scratch" and two handicap teams.

The captains were; **Scratch** - Mat Hall, **Handicap 1** - Tyson Ellis & **Handicap 2** - John Freestone

Our season got off to a good start with all three teams recording strong wins during the first few rounds of the competition. Unfortunately Mt Macedon pulled out of the "Scratch" competition forcing a second bye into that group. On the last Sunday of the competition all three teams had strong chances of making their finals. At the end of the day, Sunday April 17th, the results were;

The "Scratch" team went down to Woodend 4/3 at Euroa, just missing out on the final

The 1st handicap team recorded a strong 5/2 win over Hidden Valley at Mt Macedon making the final for the 2nd consecutive year.

The 2nd handicap team recorded a steady 4/3 win over Euroa at Woodend, making the final.

The 2011 pennant finals were held on Sunday May 1st, the two courses to host the finals were Alexandra and Seymour. Both of Romsey's handicap teams played at Alexandra. A good contingent of friends and relatives travelled to Alexandra to cheer the players on.

Unfortunately it was not our day with both teams being beaten.

The 1st handicap team fought out a tough battle with Hidden Valley before finally being narrowly defeated, with the last pair on the 18th, 4/3.

The 2nd handicap team did not play up to their ability and were well beaten by Lancefield 6/1.

Our congratulations to both the Hidden Valley and the Lancefield teams
