

# *The 2011 Romsey Challenge Bowl*

Romsey Golf Club hosted its 19<sup>th</sup> Romsey Challenge Bowl on Thursday December 1<sup>st</sup>. Teams came from Alexandra, Gisborne, Lancefield (3), Trentham, Broadford, Woodend (2), Kilmore (2), Euroa, Royal Melbourne, Yea and Eildon Golf Clubs. The Bowl is a team stableford event with mixed groups of four playing together; team scores are totaled at the end of the round.

The course was in great condition and players hit off in cool, sunny conditions. Players were treated to cups of soup as they passed the 5<sup>th</sup>. The 18 holes were played in good cheer with much encouraging laughter echoed across the course. The weather continued to cool and some drizzle fell over the last few holes. Luckily, steady rain fell just after the final group made it in to the rooms for a well-deserved lunch.

**2011 Romsey Bowl Winners Maureen Warrener, Rosa Baenreuther and Kath Keating.**

Lunch was a noisy affair as players renewed old golfing acquaintances or made new ones. The raffles also drew much laughter and cheering

The day's winners were;

A Grade – Helen Flenjte (Gisborne) 34 pts

B Grade – Mor Gale Alexandra) 34 pts

Best 2nd Shots – Kaylene Cruise (L/Field) and Annette Zol (Broadford)

NTPs - Tina Baker (L/field) and Leigh Nugent (Trentham)

The 2011 Romsey Challenge Bowl winners were;

Woodend 1, Maureen Warrener, Kath Keating & Rosa Baenreuther with 90 pts in a threeway countback from Alexandra and Kilmore 2.

Ladies' Captain, Lorraine Robb, thanked the event's sponsors, Beau Warrener (MTM Golf Clubs), Greg Gibson (Romsey Pharmacy), and the Romsey National Bank and all those who had worked so hard to get the course into tip top condition and all who had helped

prepare the wonderful lunch and sweets.

Romsey vice president, Kath Jakobsons presented the various winners with their prizes and Kath Keating gave a short, but much appreciated, acceptance speech on behalf of the Woodend 1 team.

*The 20<sup>th</sup> Romsey Challenge Bowl  
will be on Thurs. Dec. 6th 2012.*
