

2013 Romsey Challenge Bowl

The 2013 Romsey Challenge Bowl featured teams from Euroa, Bacchus Marsh West, Broadford, Gisborne, Kilmore, Kyneton, Lancefield, Marysville, Seymour, Trentham, Yea, Strathbogie and Woodend. The course was in good condition with fairways gradually greening up after the long dry and greens that were very receptive to attacking golf.

A new trophy had been struck as the original, from 1993, was now completely filled. Club captain, Lorraine Robb welcomed the players and thanked the event's sponsors MTM Golfclubs, Romsey Pharmacy and Virginia & Phillip Newell Electrical Contractors. Lorraine went on to explain the local rules before sending the teams off for a "shotgun" start. Despite the good conditions the narrow fairways, the smaller greens and the increasing number and size of the park's trees caught out many a golfer and scores were not as good as had been hoped.

After a tough but enjoyable round the players sat down for lunch, a quiet drink and a good chat. With Kath Jekabsons running the raffle all knew they were in for an enjoyable draw. There was much cheering and laughter as players looked for the right tickets and then eyed off the prizes on the table. Presentations began with Lorraine thanking the many members of RGC who had put so much time into getting the course up to the best possible

condition, into preparing and serving the food and into providing refreshments.

The day's results were;

A grade winner - Kath Keating (Woodend)
